REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art teach related tag systems but fail to teach the combination including the limitation of a plurality of cluster control blocks, each cluster control block having a cluster segment record for associating the cluster control block with a particular memory cluster and for forming variable length segments of the memory clusters without regard to the sequential order of the memory clusters (claims 1, 8, and 15).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Terminal Disclaimer

The terminal disclaimer filed on November 12, 2004, disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of US Pat. No. 6,606,682 has been reviewed and is accepted. The terminal disclaimer has been recorded.
